

Dear Distributor/Store Owner/Restaurant Owner/Awesome Person:

Today I came into your establishment filled with hope. And then they were dashed.

Have you heard of Garden Party Botanical Hard Sodas? Well, I have, and so have a few thousand other people. It's distributed in this area by Monarch. To lots of places, but not here.

Sadly, I had to go somewhere else to get this amazing beverage. But I'd like to come back here and not have my hopes dashed a second time. Because I prefer coming here to get the things I like. I suspect you like that, too.

So, I'm asking if you would look into carrying this very popular product. I think we'll both be happy if you do. Check it out at [www.drinkgp.com](http://www.drinkgp.com).

Cheers!
